

Has Tasmania reached peak tourism?

Join us for a discussion about the future for Tasmanian tourism.

Tourism plays an important role in the economic development of Tasmania. This discussion will consider what sustainable tourism means for Tasmania, where the pressure points of tourism growth lie, and how these should be managed.

Dr. Anne Hardy is the Co-Director of the Tourism Research and Education Network (TREND) at the University of Tasmania.

Can Seng Ooi is Professor of Cultural and Heritage Tourism at the University of Tasmania.
